

Radio Shack is running a Labor Day Sale where you can pick up the Instinct for just \$99.99. To be eligible for the promotion, you must sign up for the Sprint Simply Everything Plan.

*"We're excited to offer our customers the Wireless Association's Best in Show award-winning handset. The Samsung Instinct offers superb features with an appealing design. It's a great addition to our line up," said Peter Whitsett, RadioShack's executive vice president, general merchandising manager. "RadioShack's team of knowledgeable salespeople has an unparalleled understanding of wireless products and customer service, which is evident by recent surveys rating them as number one in customer wireless satisfaction."*
